IMPACT REPORT
2022

OUR CSR PILLARS

Do Better by Sleek

Kindness has always been a core pillar of Sleek's values and a cornerstone of all that we do.

As a company and maturing startup, we realised we can do better. We can do better by our world, and by our community.

That's why we launched our sustainability initiative in 2019, and started volunteering and corporate social responsibility activities in 2020 to help communities around us.

These are our action pillars:

TECHNOLOGY - TECHNOLOGY FOR GOOD

- Technology to scale social & environmental impact
- Leading change in the paper-intensive industry

ENVIRONMENT - OUR SUSTAINABILITY PROMISE

- Mangrove Planting
- Carbon Neutrality
- Sustainable Business Practices

COMMUNITIES - OUR COMMUNITY INITIATIVES

- Support Communities in Need
- Education
- Financial and Business Literacy
- Self-volunteerism

TECHNOLOGY FOR GOOD

ABOUT SLEEKSIGN

SleekSign is Asia's only **free, unlimited, and legally binding** eSignature tool developed by Sleek, during the pandemic, as a service for all users, beyond our paying consumers.

Companies can use SleekSign to get consumer, commercial, human resource agreements and IP license documents signed.

ENVIRONMENT IMPACT

In 2020, we launched our carbon neutrality program, planting mangrove trees in East Java, Indonesia together with our partner Handprint Tech. We continued our tree planting programme in 2022, and thus compounding our impact.

Our goal is to become the first carbon neutral corporate services provider in Asia-Pacific by 2030, and for future operations to be carbon positive.

- Lunch & Learn sessions with staff
- Educated employees & raised awareness about less-known causes & communities

136

Participants for CSR lunch & learn sessions

COMMUNITY IMPACT

**Rainbow
Centre**

Empowered. Included. Thriving.

Skills-based volunteering

Through our partnership with Rainbow Centre's **Micro Business Academy programme**, we are committed to uplifting families with children with disabilities.

In this skill-based volunteering partnership, our employees provided the families with **business tips, financial literacy courses and intimate consultation sessions** to empower the families and their home-based businesses.

"Sleek transformed my entrepreneurial journey..."

by providing a more efficient way of managing my accounts and tracking my financials. I am grateful that Julien made time to visit and set up Xero with me. I get to clarify any confusing terms in the accounting system as it is confusing and unfamiliar to me. Thank you Sleek!"
