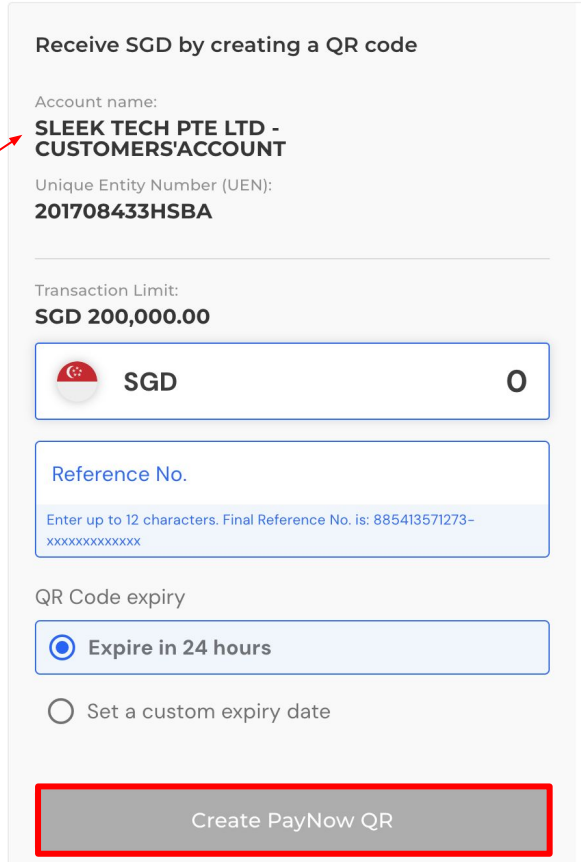
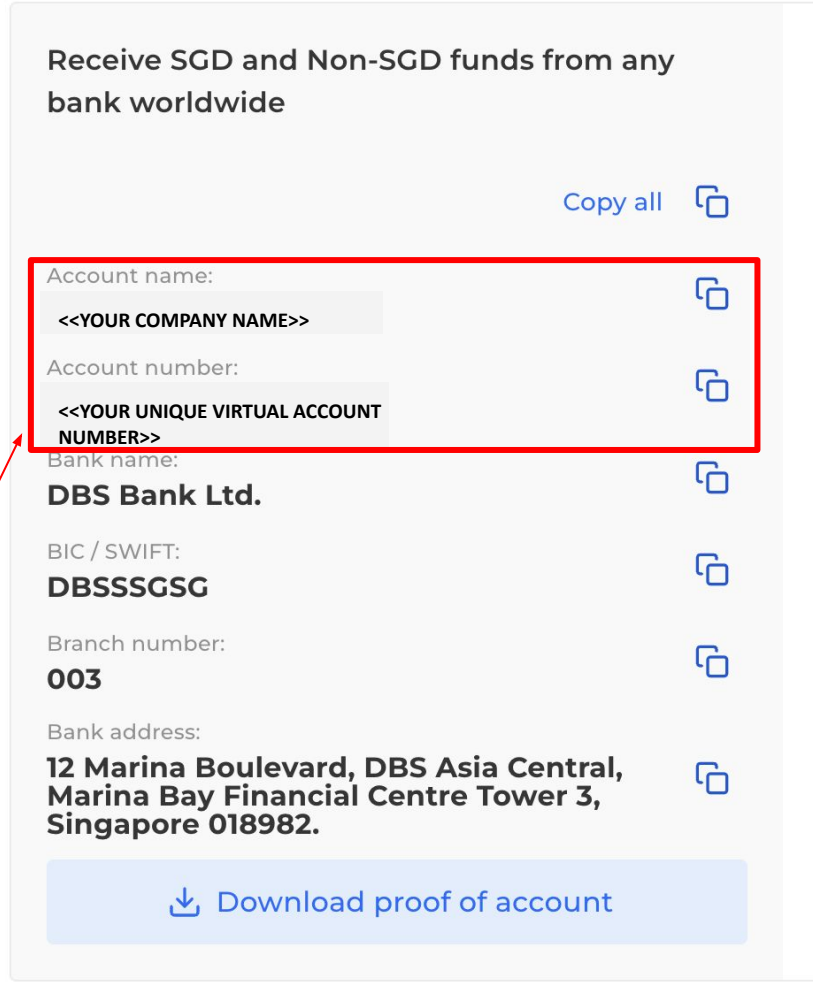
Receiving SGD via PayNow QR

1. Your sender will see the amount and reference details you set.
2. Your sender will see **“Sleek Tech Pte. Ltd.”** as the recipient, because Sleek collects the payments on your behalf.
3. The QR code will be deactivated after payment is completed.
4. Do not use to receive SGD funds or transfers from banks outside of Singapore or non-FAST participating banks.



Once you click ‘Create a PayNow QR’, you will be directed to a QR code that you can then download as an image and provide to your sender

Receiving all currencies via bank transfer

1. Receive or send up to SGD 200,000.00 via FAST for participating banks located within Singapore.
2. **Receive both SGD and Non-SGD funds from any bank worldwide via SWIFT**.
3. Supported currencies include SGD, USD, EUR, GBP, AUD, CAD, HKD, NZD, NOK, SEK, CHF and JPY.
4. For supported currencies, a corresponding currency account will be opened.
5. Unsupported currencies will be converted to SGD


NOTE: The same account details will be used for all incoming transfers
